STANLY COUNTY ANNUAL RABIES VACCINATION CLINIC

Section 130A-185 of the laws of North Carolina requires all owners of each and every dog or cat four months old or older to have same vaccinated against Rabies. The annual Rabies Clinic in Stanly County will be conducted by Locust Animal Vet Thomas Mangum Clinic And Bear Creek Mobile Vet -Dr. Reynolds Gray And Dr. Matthew Movassaghi

Any dog or cat four months old or older that is receiving its first dose of vaccine will be vaccinated for a period of one year and three years, thereafter.

A vaccination fee of \$8.00 will be charged and must be paid, with cash only, at the time of the vaccination.

YOU MUST BRING YOUR CURRENT RABIES CERTIFICATE IN ORDER TO RECEIVE A THREE YEAR VACCINATION FOR YOUR PET; NO EXCEPTIONS..
