Scheduled Agenda Items

1. Stanly County Dental Clinic Update

Dr. Mindy Turner, Pediatric Dentist with Stanly County Dental Clinic, presented a dental clinic update by powerpoint which included numbers of patients receiving services in the dental clinic, hospital dentistry and children seen at schools during the school based Dental Sealant Program. Dr. Turner continued that the dental clinic received a \$10,000.00 GlaxoSmithCline grant in 2020 and with that grant, plans are underway to implement a special project to assist with funding in a referral process for patients from the John Murray Community Care Clinic to Southeast Oral and Maxillofacial Surgery for dental extractions only. This will be for adult patients, 18-64 years old, who are uninsured and established patients from the Community Care Clinic. Invoices for referred patients will be sent to Stanly County Dental Clinic. Southeast Oral Surgery will be reimbursed directly for any fees incurred on the patients' behalf by the Stanly County Dental Clinic. Mr. Jenkins shared that there is always a huge outcry for some form of adult dental care assistance in the community and this would be a good opportunity to help assist the community and cut down hospital emergency visits. Dr. Turner shared that the dental clinic celebrates it's 20 year anniversary this month.

Dr. Turner introduced Debbye Krueger, retired dental hygienist with the Oral Health Section of DPH, to give an overview of the program "Mouth Care without a Battle". Mrs. Krueger shared that the program is a medically driven program to address oral health issues of patients who are in assisted living or nursing homes. She shared statistics of the benefit of training staff who take care of this population such as reducing the incidence of pneumonia by 76%. She visits the Monarch facilities here in Stanly County and hopes to include the nursing homes when permitted due to COVID. Mrs. Krueger shared a folder with Board members with information about the program, which she shares with managers at each facility she visits. Mrs. Krueger entertained questions from the Board and was thanked for her presentation.

2. Opioid Settlement Funds Discussion

Wendy Growcock, Health Education Specialist at the Stanly County Health Department, gave a presentation on Stanly County Substance Use and the National Opioid Settlement funds coming to Stanly County. This presentation also serves as the First Annual Report related to Community Health. Mrs. Growcock gave Board members a handout listing support programs that serve persons with Opioid Use Disorder (OUD) or any co-occurring Substance Use Disorder (SUD) or mental health condition. She also used a powerpoint presentation to update the Board on Stanly County overdose numbers, how the county is developing relationships, practices and procedures to combat overdose deaths. She reminded Board members that Stanly County was 1st in overdose deaths in the state but due to these programs and partnerships put in place, we are no longer in the top ten. Mrs. Growcock states that Stanly County is due to receive \$4,668,953.00 in Opioid settlement funds, over an 18 year period. Mrs. Growcock allowed time for questions and comments.

APRIL 7, 2022

Mike Campbell, EMT-P Deputy Chief/EMS Training Officer with Stanly County EMS, presented a powerpoint to address what the community paramedic program is doing in Stanly County. The Community Paramedic program was formed with the sole intention of combating the opiate crisis from a proactive versus reactive approach. Community Paramedics respond to all active overdose calls in the county and interacts with patients in real time. At present they have four full time Community Paramedics and Peer Support Specialists funded by the HRSA grant and a portion funded by the county. Stanly County has built a nationally recognized model that other rural communities are adopting due to success in decreasing opioid overdose deaths. Mr. Campbell fielded questions and was thanked for his presentation.

Desiree Mather-Kelly, Peer Support Specialist with EMS, addressed the Board to share her role and experience working and responding to overdose situations and the reward for helping patients and their families seek assistance. She was thanked for her presentation and answered questions from the Board.

In closing, Mr. Jenkins suggested that a recommendation from the Consolidated Health and Human Services Board to the Board of Commissioners supporting the continued efforts of these programs, which have shown tremendous success in combating the Substance Use/Abuse in Stanly County, when receiving the Opioid Settlement Funds. Mr. Jenkins will send the information presented in tonight's Board meeting to Board members for review and they will discuss and make a recommendation at the May meeting.

3. FY22-23 Social Services Budget Proposal *Action Required*

Mrs. Dolly Clayton presented the budget for D.S.S., FY2022-23 which is included in the Board members packet. She explained that the county finance department changed a few numbers making the totals change slightly, however the percentages remained the same. She reviewed each page of the proposed budget, explaining the target budget, requested budget and enhancements which include the request for six new positions to relieve the increased workload of staff due to the pandemic and increased need for services. In closing, she highlighted the final slide which shows the financial impact to Stanly County with the total budgetary amount of \$111,576,077.00 due to the work that D.S.S. staff performs.

After time allowed for discussion, Larry Gibson moved for approval of the D.S.S. budget proposal with a second by Nancy Smoak. The motion was passed by unanimous vote.

4. FY22-23 Health Department Budget Proposal & Fee Schedule *Action Required* (Act. 33.2,39.3,33.5)

Mr. David Jenkins presented the proposed FY2022-23 Health Department Budget and Fee Schedule which was included in the Board packet received prior to the meeting. Mr. Jenkins states the overall expenditure budget request of \$5,348,549.00 is a .87% decrease from the FY2021-22 adopted budget, combined with a projected \$3,367,671.00 in revenues, the budget reflects a net request of \$1,980,878.00 in county funding which represents a 1.93% decrease from the current year adopted budget. Mr. Jenkins reviewed enhancements and reviewed the fee request, highlighting significant increases in Environmental Health fees due to growth in the county and cost to do business. In reviewing enhancements, Mr. Jenkins pointed out the request for a new position in environmental health and new flooring in dental and general health from proceeds from the sale of home health.

After questions and comments, a motion was made by Commissioner Jordan, seconded by Dr. Jordan, to approve the Health Department's proposed FY22-23 budget, along with the FY22-23 Health Department Fee Schedule. The Motion passed by unanimous vote.
